ACCOMPLISHMENTS OF 2005

PROGRAMS

- Served 25,000 people on the National Colonial Farm, the Ecosystem Farm, and the natural areas of Piscataway Park
- Served 5,000 school children from 50 schools in curriculum-based programs
- Developed an interpretive plan for installing indoor and outdoor interpretive exhibits, including a draft script for the exhibit
- Developed script for audio tour of the National Colonial Farm
- Participated in on-farm research as part of the USDA-sponsored "Small Farm Success" Project
- Developed a new interpretive scenario for the National Colonial Farm, based on specialized scholarly research
- Initiated a thorough program review and upgrade as a 50th Anniversary Initiative for 2007

A school tour explores the Museum Garden

CAPITAL PROJECTS

- Completed construction of a new Education Center, a \$500,000 green building to serve the Foundation's visitors
- Completed construction of the Saylor Grove Pier for use by fishermen and users of muscle-powered watercraft

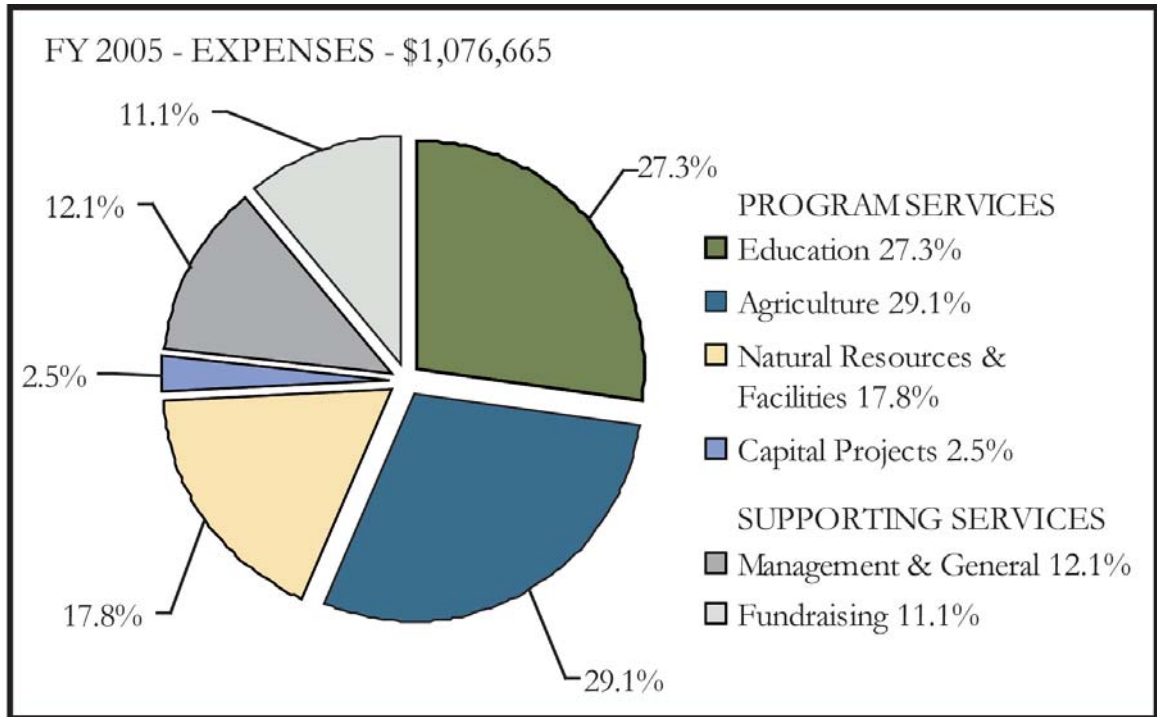

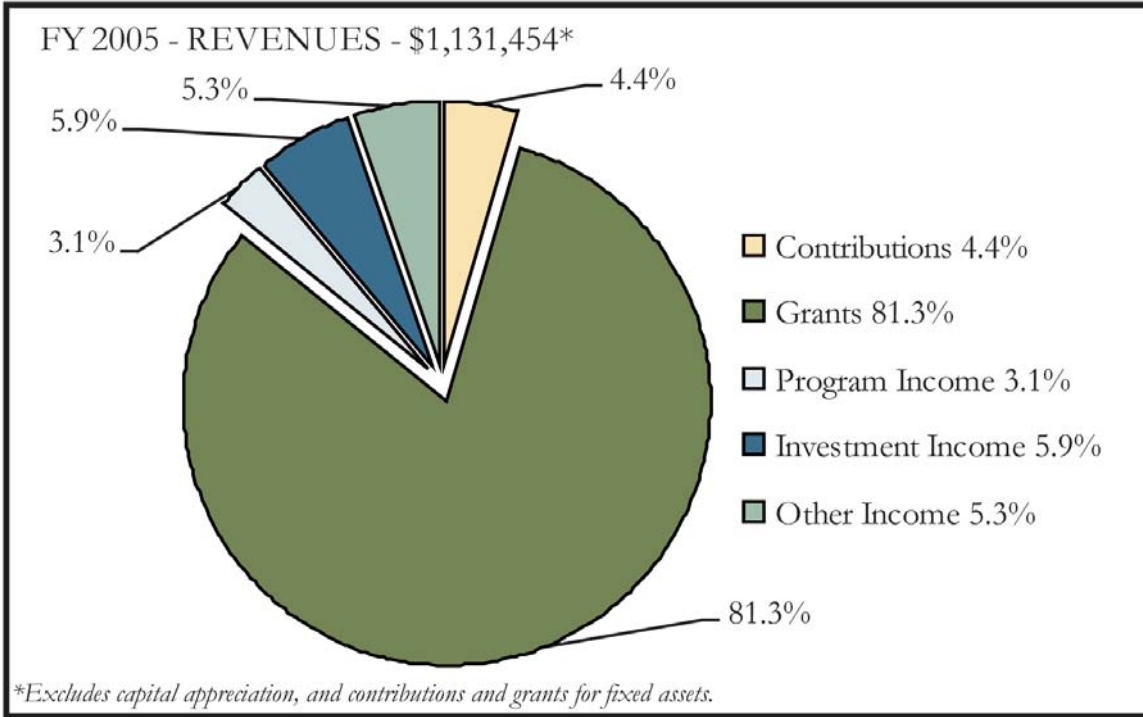

The Education Building is the site for all indoor events

INSTITUTIONAL ADVANCEMENT

- Adopted the use of Standards for Excellence by staff and board
- Submitted application for consideration for certification under Standards for Excellence
- Completed self-study portion of the American Association of Museums' Museum Assessment Project
- Developed a new logo and brand for the Accokeek Foundation
